D.O.No.8-10(4)/2018-HS

Dated the 28th September 2018

Dear Sir/Madam

As you may be aware, the Final Estimate of 2017-18 and First Advance Estimate of 2018-19 of area and production of various Horticulture Crops are to be prepared and released by this Division in the month of December 2018. Before release, the estimates are to be approved by a Review Committee, which is likely to meet in the second week of December 2018.

The Final Estimates (2017-18) are to be submitted at the District level as well as State level. The state level estimates should be prepared from the District Estimates so that there is no discrepancy between the two. You are therefore, requested to furnish the **2017-18(Final) estimates both at district and state level and First Advance Estimates for 2018-19 at state level**, online through HAPIS. (the First Advance Estimates for 2018-19 are to be given **for the entire agriculture year 2018-19**). These estimates are to be finalized based on the district level figures of various crops. As SHOSA, chief Nodal Officer, you are required to call a Review Meeting latest between 10th-15th November, 2018 and prepare your state level estimates based on the information provided by the districts, reconciled with previous estimates and validated thereafter. These estimates are to be submitted separately through HAPIS. You are also requested to send the information in the enclosed format positively **by 31st October 2018** through fax (011-23388658) as well as e-mail (mamta.saxena@nic.in and hortdata-agri@nic.in) in excel datasheet to enable this Division to release data in time.

With regards,

Yours sincerely,

(Mamta Saxena)

To
Mission Directors/Director of Horticulture/Agriculture
(All States/UT), DASD, DCCD, National Bee Board
